Supporting quality health care for 35 years

2017 MAH Classic

Mt. Ascutney Hospital and Health Center is known for personalized, quality care provided both at our home base in Windsor, Vermont and in Woodstock, at the Ottauquechee Health Center. Many local families turn to the Hospital for emergency, primary, specialty, and acute care. Our Rehabilitation Center is known far and wide for its excellence and regularly serves patients from throughout the Northeast. As a non-profit community hospital, we rely on the generous support of our many friends and area businesses to help maintain our facilities and preserve excellence.

The MAH Classic traces its origins to the first "Chick Miller Memorial Tournament" in 1983. Over the years, thanks to our generous players and sponsors, the Classic has generated nearly \$750,000 in vital support for the Hospital.

This year's 35th annual Classic will be held at the beautiful Woodstock Country Club, which has been cited as one of the world's "top 100 golf resorts" by *Golf Magazine*. The course was designed by legendary course architect Robert Trent Jones, Sr. At 6,000 yards, the par 70 course features a challenging sequence of fairways, sand traps and water hazards that is welcoming to golfers of all ability levels, but will test even the most seasoned golfer.

For information about Sponsorship Opportunities or to donate a prize to the Classic Golf Auction, please call Development at (802) 674-7321 or email mahclassic@mahhc.org.

PLAYER REGISTRATION
