MAHCLASSIC
MT. ASCUTNEY HOSPITAL AND HEALTH CENTER

Supporting quality health care for 37 years

2019 MAH Classic

The MAH Classic traces its origins to the first "Chick Miller Memorial Tournament" in 1983. This year's Classic will be held at the Woodstock Country Club, cited as one of the world's "top 100 golf resorts" by *Golf Magazine*. The course was designed by legendary course architect Robert Trent Jones, Sr. The course is welcoming to golfers of all ability levels, but will test even the most seasoned golfer.

Mt. Ascutney Hospital and Health Center is known for personalized, high quality care provided both in Windsor and in Woodstock, at the Ottauquechee Health Center. Many local families turn to us for emergency, primary, specialty, and acute care. Our Rehabilitation Center is known for its excellence, and regularly serves patients from throughout the Northeast. As a nonprofit community hospital, we rely on the generous support of our many friends.

Proceeds from this year's Classic will support behavioral health services at MAHHC, including Emergency Room renovations and telepsychiatry.
