

## 2019 MAH Classic

Mt. Ascutney Hospital has provided care to residents of the Upper Valley for 85 years. In 2007, the Hospital expanded its services in the Woodstock area through its Ottauquechee Health Center.

Diverse, community-based programs sponsored by the Hospital provide an array of supports for our most vulnerable citizens. The Hospital has been recognized by the American Hospital Association as a national leader in delivering innovative social and health services aimed at improving the health and well-being of the entire community.

The breadth and quality of services provided by the Hospital are made possible, in part, by generous community support. Proceeds from the Classic have helped fund improvements in patient care, maintain and improve facilities, bring new technology and equipment on board, and strengthen those award-winning community health initiatives.

**Proceeds from this year's Classic will support behavioral health services at MAHHC, including Emergency Room renovations and telepsychiatry.**

## YOUR SPONSORSHIP MAKES IT HAPPEN

The 37<sup>th</sup> Annual MAH Classic is a win-win event for our Sponsors, for the Hospital, and for patients from throughout the Windsor-Woodstock region. Sponsors enjoy positive public relations and increased community visibility – thanks especially to the extensive radio coverage of the Classic provided by the Great Eastern Radio stations in the Upper Valley and in the Monadnock region. And Sponsors have the added satisfaction of knowing that they are providing essential funding that allows Mt. Ascutney Hospital and the Ottauquechee Health Center to enhance the health and well-being of those in our communities.

**Please consider one of our many Sponsorship Opportunities and plan now to join us for the 2019 MAH Classic. It will be a great day of golf for a great cause!**
